Denise Dempsey

### ABOUT THE COURSE

The course consists of 16 months intensive training in all areas of hairdressing including:

- \* blow drying
- \* colouring
- \* ghd curls
- \* cutting
- \* upstyles
- \* salon etiquette

The first few months consist of the theory of hairdressing and practical work on mannequin heads and other students. The Academy is then open to clients and students to learn more and gain experience on all practical aspects.

One day a week is spent in Deane Hair Design hair salon as work experience. This gives you an invaluable insight into the running of a hair salon.
